EUREKA NEWS:

Remember this date: **Sun October 22nd. Long Distance Championships at Mt Beckworth. A new map 1:10000.**

Chris is wanting about 2_3 sets of 9 volunteers to assist with the running of the Mt Beckworth event. So some of us will need to do two stints. What is your forte. 4 on the start , 3 on the finish, 2 on results, There will of course be setup, pull down and sort the maps tasks as well. It was suggested we provide extra cleanskin maps instead of sorting, but the \$200 extra cost was not seen as ideal.

Linton MTBO: Nov 12th Emily Viner is the course setter on a map recently revised by Andrew Slattery from SA.

Social Event: Winter: Sunday August 13th, 2006, is to be a Social get together event at Ballarat's La Porchettas. Followed by a BYO dessert to share and tea, coffee and milo chat session at Lawford's at the very end of Swinglers Rd. 4.5km from the roundabout at the Cemetery corner. Norman/Doveton streets.

1 [2006 World Masters Championships in Austria](#) - Geoff Lawford (M50) set his goal to be in the top 10 in the world - and he made it comfortably by taking 6th in M50 against over 300 keen orienteers from Europe, Asia, USA and Canada. Well done Geoff - you are a **legend!**

2 ["Rockhopper Trophy" \(after 6 events\)](#) - Eureka lies 5th behind 1st place NE (636 pts), 2nd TK (580), YV (497), BK (479) and then Eureka on 429 points (103, 91, 84, 25, 46, 80 = 429). As you can see we scored most at the EU Challenge - but in most events we have really given the points away by not having good all-club representation. We really need to get 'serious' at Sailor's Diggings on 30 July and see if we can't get up in the top 3. So with 5 State Series and 2 Championships (Middle and Long-Distance) to go, let's see if together we can make a difference!
