14 July 2014		7.20 pm - 8.50 pm	Eastwood Leisure Complex
Meeting called by	Eureka Committee		
Type of meeting	Monthly Meeting of Eureka Orienteers		
Facilitator	Mark Valentine, President		
Note taker	Ian Chennell, Secretary		
Apologies			
Attendees	Blake Gordon, Treasurer; Roch Prendergast, Vice President		
2015 Australian Championships			
30 minutes	Mark Valentine		
Competition Areas	Petticoat Gully, Cabbage Tree – all OK. Mapping Updates – Borhoney Ghurk done, Creswick Diggings next. St Georges Lake currently closed to parking, lake drained. Roch P, Blake G, Mark H visited Long Distance event area 14 July, planned car parking paddock. Contact made with local equipment hire contractor (Stephen Toose) – should be able to provide all on-site equipment we will need.		
Budget	Mark V to work through budget in next two weeks. Keen to use a proportional value proposition to split up event surplus, on basis of club contributions.		
Publicity	Mark V sent article to OA for September Australian Orienteer. Early engagement of radio and TV media to be pursued.		
Website	Work towards a templated carnival website design that can be used for future years. People keen to see what else is on in Ballarat.		
2014 Vic Championships			
20 minutes	Mark Valentine		
Control Stands	Jim Russell has 20 control stands with BSF6 SI holders, all set.		
Radio Controls	Contact Chris Naunton and Jim Russell.		
Results	Consider using a trailer with a cage to mount TVs on either side.		
MTBO September			
10 minutes	Blake Gordon		
	Two events in Maryborough. Courses set and permissions granted for Mos Flat/Bull Gully Wells – Rob Edmonds.		
2015 Events Additional to Oz Champs			
15 minutes	All Committee		
Ultralong	Already committed.		
Model Events	Consider events before Oz Champs that showcase the terrain. Near St Georges Lake north of road, Nerrina and White Swan are possible areas. Consideration to weekend of 25/26 April?		
Training			
15 minutes	Roch Prendergast		
Training Activities	Roch has been running Saturday AM training, using 3km taped courses. Suggested Eureka might want to sponsor this and advertise as a regular activity.		
Conclusion
