Out of Bounds	
Paved Area	
Road	
Object / Cairn / Statue	

CRESWICK

Orienteering Map

WHAT'S GOING ON WITH THIS MAP?
As you may be able to tell, this is a draft ISSOM map; minimal fieldwork has been completed. Roch Prandergast completed the basemap and all of the existing fieldworked detail. Rob Fell has degraded the draft into the product you see in front of you.

THIS COURSE IS ON MAPRUN

You can use the MapRun phone app to complete this course.

1. Install the free MapRun app.
2. Enter your competitor details in the app.
3. Find the Creswick course under Victoria / Ballarat.
4. Start the course. The app will recognise you as starting once you have visited the start at Lake Calemben (using GPS).
5. Visit as many of the controls as you can in 45 minutes (you can visit them in any order, choosing your own route). The app will beep when it recognises you have visited a control.
6. Get to the finish before the 45 minutes is up!
